Proven technical capability building autonomous operational platforms using Python and AI agent tooling, combined with corporate AI evaluation experience (Instawork AI, 99%+ QA benchmark). Immediate joining availability.

EDUCATION

DAYANANDA SAGAR UNIVERSITY (DSU)

Bachelor of Business Administration (BBA) — International Business

Bengaluru, Karnataka

2023 – 2026

Relevant Coursework: Global Supply Chain Logistics, International Trade & EXIM, Incoterms 2020, Letters of Credit (UCP 600), Business Analytics, Corporate Finance, Contract Law.

CORE PROFESSIONAL EXPERIENCE

Operational Lead & Logistics Coordinator — Aero India 2025

Yelahanka AFB, Bengaluru

Salt in My Cocoa / Commercial Exhibition Pavilion

Feb 2025

- Directed end-to-end commercial booth setup, replenishment, and inventory control at Asia's largest aerospace expo under strict Indian Air Force security clearance with **100% operational uptime**.
- Executed high-volume UPI and POS reconciliations under peak attendee density (100,000+ total footfall), achieving **0% inventory shrinkage** and zero financial balance discrepancies.
- Coordinated gate passes and emergency restock handoffs with defense liaison officers, eliminating transit delays.

Event Operations Lead & Project Coordinator

Bengaluru, India

Enterprise Brand Activations (Puma Sports India, Tata Communications, Dyson, VH1)

2021 – Present

- Orchestrated ground operations, vendor staging, and equipment setup for **300+ enterprise activations** with 100% on-time milestone delivery and 0% budget overrun.
- Conducted granular line-item audits across staging and transport suppliers, establishing direct Tier-1 vendor rate cards to generate a **15% recurring operational cost reduction**.
- Supervised 20+ on-ground operational crew across hardware staging, power infrastructure, and technical vendor SLAs.

AI Data Operations & Quality Specialist

Remote / Bengaluru

Instawork Services India Pvt. Ltd.

Sep 2024 – Dec 2024

- Executed rigorous data curation, multi-modal annotation, and LLM evaluation benchmarks adhering to strict SLA rubrics.
- Maintained **99%+ audit accuracy** across high-volume evaluation batches, consistently ranking in the top quartile.

Commercial Operations & BD Intern

Bengaluru, India

Pencil Mark Interior Solutions LLP

Jul 2025 – Aug 2025

- Converted commercial client requirements into project execution briefs and vendor matrices; closed **INR 1.5L+ in direct B2B revenue** in 6 weeks, earning a formal written management commendation.

Operations Assistant — Family Business

Kolkata, India

Daily Billing & Inventory Reconciliation

2018 – 2020

- Maintained daily billing, ledger entries, and vendor reconciliation sheets in MS Excel, reducing reporting overhead by 25%.

TECHNICAL PROJECTS & AUTONOMOUS PROTOTYPING

Autonomous Operations & Recruiter Dispatch Platform

github.com/AdityaMehra007/anti

- Engineered an automated operations and hiring intelligence platform using Python, SQLite, and Google Antigravity agent workflows with **16/16 verified unit tests passing green**.
- Automated calendar generation (.ics), multi-parameter compensation filtering, and real-time pipeline status tracking.
