Business & Strategy: International Business (DSU), Milestone Revenue Conversion, Stakeholder Alignment

VERIFIED PROFESSIONAL EXPERIENCE

Commercial Operations & Lead Coordinator *— Salt in My Coca @ AERO INDIA 2025 | Feb 2025*

- Coordinated high-stakes commercial vendor operations, gate clearance manifests, and inventory tracking for 300,000+ defense expo attendees at Yelahanka Air Force Station.
- Enforced strict 3-way matching across vendor invoices, delivery challans, and IAF base security passes, achieving zero stockout discrepancies and 100% SLA compliance.
- Optimized on-ground queue throughput and cashless POS operations, reducing peak line wait times by 35%.

AI Operations & Data Quality Assurance Intern *— Instawork AI | Dec 2025*

- Audited, annotated, and verified 10,000+ multi-modal datasets for enterprise machine learning models, achieving a 99.4% precision accuracy benchmark.
- Designed standardized edge-case exception escalation protocols, eliminating data tagging taxonomy errors across production pipelines.
- Automated weekly quality reporting using Python and Excel formulas, accelerating cross-functional review cycles by 40%.

Business Development & Commercial Intern *— Pencil Mark Interior Solutions LLP | Jul - Aug 2025*

- Managed commercial enterprise outreach pipeline, converting high-value B2B design and fit-out contracts generating INR 1.5L+ in milestone revenue.
- Structured customized commercial proposals, quotation schedules, and client SLA agreements with 100% adherence to company margins.
- Accelerated lead response times from 48 hours to under 4 hours via automated CRM pipeline tracking in Apollo.io and Google Workspace.

Concert Operations & Logistics Coordinator *— Bangalore Club (Pt. Vishwa Mohan Bhatt Concert) | Jan 2026*

- Managed VIP artist hospitality, technical acoustic setup schedules, and backstage security protocols for Grammy Winner Pt. Vishwa Mohan Bhatt.
- Maintained zero artist protocol delays and 100% staging compliance across a 1,200+ attendee live auditorium event.
