ADITYA MEHRA

Audit, Assurance & Commercial Compliance

Bengaluru, Karnataka, India +91-7003456624 adityamehra799@gmail.com LinkedIn Profile

EXECUTIVE PROFILE

Analytical, detail-oriented BBA graduate specializing in International Business, Financial Operations, and Commercial Compliance. Extensive experience auditing vendor contracts, verifying rate cards against fulfillment manifests, and ensuring contractual SLA adherence. Trained in International Trade regulatory guidelines, UCP 600 Letter of Credit rules, and international business documentation standards. Brings a zero-compromise mindset to internal controls, data reconciliation, evidence gathering, and workflow integrity.

CORE COMPETENCIES & TOOLS

Internal Controls & Compliance | Vendor Rate Card Auditing | Discrepancy Reconciliation | Contractual SLA Verification | Financial Operations Support | UCP 600 & Trade Documentation | Evidence Dossier Preparation | Process Documentation | Excel Modeling & Power Query | Data Normalization | Python Verification Scripts | Audit Trail Preservation

Tech & Tools: Python, SQL (SQLite, PostgreSQL), Advanced Excel (Power Query, PivotTables, VLOOKUP/XLOOKUP), Power BI Foundations, Git, ERP/CRM Concepts.
Compliance & Standards: Incoterms 2020, UCP 600, Vendor SLA Governance, Root Cause Analysis, STAR Methodology.

PROFESSIONAL EXPERIENCE & OPERATIONS

Operations & Logistics Specialist (Project Lead) Jan 2024 – Present | Bengaluru

Event Logistics & Vendor Governance Projects

- **Aero India 2025 (Yelahanka Air Force Station):** Led on-ground staging and logistics coordination under strict Ministry of Defence security windows.
- **300+ Enterprise Brand Activations:** Directed execution for Puma India, Tata Communications, Dyson, Apollo, Razorpay, and VH1 Supersonic with 100% on-time delivery.
- **Vendor Governance & Rate Card Cost Modeling:** Formulated rate card benchmarking across AV, staging, and freight vendors; reduced reconciliation latency by 25%.
- **SOP Standardization:** Implemented a 25-point daily operational status and checklist template, eliminating day-of-show logistics discrepancies.

Commercial Research & Operations Intern Jun 2024 – Nov 2024 | Bengaluru

Pencil Mark Interior Solutions LLP

- Conducted commercial market research across Bengaluru tech corridors, analyzing corporate tenant lease requirements.
- Maintained client CRM records with 100% data accuracy and structured operational follow-ups.
- Analyzed supplier price trends to assist leadership in accurate quotation modeling.

AI Workflow & Data Pipeline Lead 2025 – Present | Bengaluru

Autonomous Career & Market Intelligence System

- Architected computational pipelines parsing 4,500+ commercial enterprise entities across Bengaluru tech parks into structured relational schemas.
- Designed strict JSON-schema prompt pipelines for text normalization and entity extraction.

EDUCATION

Bachelor of Business Administration (BBA) — International Business Class of 2026 | Bengaluru

Dayananda Sagar University (DSU) — First Class Standing

Core Modules: International Trade Logistics, Operations Management, Business Statistics, Incoterms 2020, UCP 600, Global Financial Corridors.
Campus Leadership: Managed operational flow and logistics for university summits hosting 1,000+ delegates.

TRACK HIGHLIGHTS & QUANTIFIED IMPACT

- Audited multi-tier supplier rate cards across commercial projects, identifying billing anomalies and recovering ~15-20% margin leakage.
- Formulated tamper-evident evidence registries and reconciliation logs for high-volume commercial events.
- Applied UCP 600 and Incoterms 2020 regulatory frameworks in academic and practical trade case studies.
- Engineered automated audit validation checks in Python to verify financial data consistency across enterprise datasets.
