CAREER OBJECTIVE

Analytical and execution-focused BBA graduate (International Business) seeking a Business Operations Analyst role within Tier-1 GCCs and MNCs. Demonstrates hands-on competency in operational process auditing, SOP execution, workflow tracking, and MS Excel data analysis. Equipped with proven cross-functional coordination skills, strong business communication, and the dedication to optimize daily operational turnaround times.

EDUCATION

Bachelor of Business Administration (BBA) — International Business (2023 – 2026)

Dayananda Sagar University, Bengaluru

Relevant Coursework: Operations Management, Business Analytics, International Business Strategy, Financial Accounting, Organizational Behavior.

WORK EXPERIENCE & INTERNSHIPS

Business Operations Intern (Data & Quality Assurance) | *Instawork Services India, Bengaluru*

- Audited high-throughput operational data pipelines supporting mission-critical enterprise AI and computer vision models.
- Performed systematic quality control checks against standardized benchmarks, flagging errors and improving workflow hygiene.
- Partnered with technical team leads to document process exceptions and streamline repetitive review handoffs.

Business Operations & Outreach Intern | *Pencil Mark Interior Solutions, Bengaluru*

- Mapped lead flows and sales-ops coordination cycles, analyzing prospect data to prioritize executive follow-ups.
- Prepared commercial briefs, cost sheets, and project status slide decks for management reviews and client presentations.
- Awarded an official Certificate of Appreciation and Letter of Recommendation for excellence in business execution.

Operational Ground Coordinator | *AERO India Exhibition (Salt in My Coca), Bengaluru*

- Structured daily shift handovers, inventory tracking logs, and visitor flow management under high-density event constraints.
- Mitigated operational bottlenecks on-ground in real time, coordinating between venue organizers, suppliers, and visitors.

Operations & Logistics Lead | *Commercial & College Events, Bengaluru*

- Orchestrated end-to-end event operations, scheduling, resource distribution, and vendor execution across multi-day cultural festivals.
- Drafted operational contingency plans for critical technical dependencies, ensuring zero interruptions during live performances.

Retail Operations Assistant | *Family Retail Store & Food Business, Bengaluru*

- Monitored point-of-sale transactions, daily cash reconciliations, store expense logs, and inventory turnover cycles.
- Introduced structured daily record-keeping practices that eliminated discrepancies between cash intake and supplier payments.

KEY SKILLS & COMPETENCIES

- **Business Operations & Analysis:** Process Mapping, SOP Standardization, SLA Monitoring, Root-Cause Analysis, Operational Risk Mitigation, Workflow Optimization, KPI Reporting.
- **Technical & Analytical Tools:** Advanced MS Excel (Formulas, Pivot Tables, Dashboards), MS PowerPoint, MS Word, Google Workspace, Workflow Automation Primitives.
