Re: Application for AI Governance Strategy Product Manager Intern - Platform Trust & Ecosystem (San Jose, CA)

Dear Hiring Team at TikTok / ByteDance,

I am writing to express my strong interest in the AI Governance Strategy Product Manager Intern - Platform Trust & Ecosystem internship at TikTok / ByteDance. Having tracked your work across Social Platforms & Global Media, I am excited to contribute my operational leadership, data analytics discipline, and problem-solving rigor to your team.

My verified track record includes directing mission-critical ground logistics for 450+ international delegates at Aero India 2025, managing brand activation supply chains for Puma Sports India with 25% reduced turnaround friction, and achieving a 99%+ accuracy rating on Instawork's AI evaluation platform.

Design governance frameworks, risk taxonomy systems, and automated evaluation metrics for multi-modal AI ecosystems.

I am prepared to hit the ground running from Day 1 to deliver measurable impact. Thank you for your consideration.

Sincerely,

Aditya Mehra
